

Top award for ByBox

2256
DONCASTER parts distribution firm ByBox has achieved recognition in the International Freighting Weekly Awards for their entry in the Business Improvement Award category.

Launched only five years ago, the company's core service is the development, delivery and support of a range of distribution services for organisations operating large mobile field teams underpinned by investment, innovation and technology.

The company has enjoyed major growth and is working with major blue chip companies including B Sky B, RAC, telent plc (formerly Marconi).

ByBox recently announced annual turnover of £15 million in 2005, up from £10 million the previous year representing a 50 per cent growth. The company is forecasting a turnover of £21 million in 2006.

Stuart Miller, chief executive and founder of ByBox commented: "We are absolutely delighted to have received recognition in these awards."
