

## **ByBox acquires**

ByBox, the UK market leader in field service distribution and drop-box solutions, has acquired Logibag, the world's largest manufacturer of box bank systems.

Based in Le Mans, France, Logibag designs, manufactures and installs electronic luggage lockers. Logibag electronic lockers are sited throughout the world, with more than 40,000 lockers in 21 countries. They comply with all security requirements and can be adapted to local specifications.
