

ByBox Move To New State Of The Art Facility

ByBox has opened a brand new state-of-the-art 100,000 sq ft hub in Coventry. The multi-million pound facility significantly increases the amount of warehousing space the firm commands, and demonstrates a new facet of its business. More than a 100 workers are employed at the site - an

increase of 36% since the beginning of the year and the number is set to rise dramatically. The company's core service offering is the development, delivery and support of an extensive range of distribution platforms for organisations operating large mobile field teams.
